	Open Loop	166*040, 166*050, 166*066
Cypress	Closed Loop	111*038, 111*049, 111*064, 111*072
	Open Loop	111*038, 111*049, 111*064, 111*072

There are other important requirements and limitations for the tax credit, such as qualified energy property must be installed in the homeowner's primary residence. GeoStar recommends that homeowners consult a tax professional to ensure they meet all requirements. The Internal Revenue Service is responsible for implementing and administering the tax credit.

06/21

Under penalty of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts presented are true, correct and complete. Confirm eligibility of your system by visiting www.ahridirectory.org or by contacting your installing dealer.

Notes:

- Split units must be installed with the AHRI listed and rated air handler or "A" coil to qualify.
- Aston Series models share nomenclatures and as such share ENERGY STAR compliance.
